Key to the Index

All material is indexed by subject; special articles are indexed also by author and title.

For monthly data which appear regularly in the various sections of the Social Security Bulletin, no page references are given; instead such data are indicated by an **M**, followed by the sectional designation; e. g., **M**:SED. If the material has not appeared throughout the year, the specific months are included in the designation; e. g., **M**:SED (My–D).

t and/or c in parentheses following the page number indicates that one or more tables and/or charts accompany the text; e. g., Ja 27(t)

t and/or c following the page number, without parentheses, indicates that the reference is to table and/or chart with no accompanying text; e. g., Ja 27t
